Remarks

Where rustic charm meets modern living in the Lakes Region Fresh from a complete transformation down to the studs, this 4-bedroom, 2-bath beauty feels brand new because it is. Every inch has been reimagined with today's style and comfort in mind, offering the rare chance to move into a home that blends modern finishes with the peace and charm of West Newfield's countryside. The main level's open layout invites connection whether it's Sunday breakfast in the bright, upgraded kitchen, cozy movie nights in the living area, or friends gathered around the dining table after a day on the lake. On the main Floor as well are four well-appointed bedrooms that offer restful retreats, including a spacious primary suite with its own bath. An unfinished space above the main living area holds exciting potential: envision a home office, art studio, or private guest suite. Step outside and you're surrounded by Maine's four-season playground just minutes from Rock Haven Lake and Province Lake for boating and fishing, with trails, farms, and scenic drives right at your doorstep. In winter, hit the slopes or cozy up fireside as snow falls gently outside. Whether you're dreaming of a year-round residence or a seasonal escape. 174 Wakefield Road delivers a lifestyle that's as refreshing
